1. BACKGROUND
The Government of Liberia (GOL) has received a grant from the International Development Association (IDA) towards the cost of implementing “Lighting Lives in Liberia Project” by the Rural and Renewable Energy Agency (RREA), and GOL intends to apply part of the proceeds of the grant to payments under the contract for the Audit of the Financial Statements of project. This program is Part C, “Providing Modern Renewable Energy Services to Off-Grid User” of the Liberia Electricity System Enhancement Project (LESEP) Project. The objectives of the project are to provide modern renewable energy services to off-grid users in Liberia by:

i. Facilitating the implementation of a pilot program designed to provide affordable solar lighting devices targeting households in areas without access to electricity;

ii. Provision of technical assistance to strengthen the capacity of the RREA and to undertake policy and strategy work.

2. OBJECTIVES
The objective of the audit of the project financial statements is to enable the auditor to express a professional opinion on the financial position of the Lighting Lives in Liberia project at the end of each accounting period and of the funds received, and expenditures incurred for the accounting period as reported by the PFS as well as professional opinion on the Statement of Expenditures and Designated Account activity. The various professional opinions may be captured in a single Audit Opinion by the Auditor.

3. SCOPE OF SERVICES
The services include (i) the Audit of the Project Financial Statements (PFS) Lighting Lives in Liberia Project, and (ii) expression of a professional opinion on the Financial Statements for the period beginning July 1, 2014 to June 30, 2015.
